

Pond & Water Feature Crew Member

Do you love the outdoors and enjoy rich experiences?

Are you ready to finally love what you do every day and truly enjoy working with like-minded coworkers?

Do you want to work with clients who love to see you as they build something new and beautiful?

Immediate full-time and part-time openings available. JVI Secret Gardens, an established and professional company, is now accepting applications for a helpful, customer-focused, and versatile individual who wants to work in an amazing atmosphere to join our team. You will be working with a friendly, and beauty-focused team of people who appreciate nature. This position is a critical part of our company.

- If this sounds like you... please check out our website, visit our garden center, or watch our YouTube videos to be sure you'll love it here! <https://www.youtube.com/user/jviscretgardens>
- If this sounds like you or someone you know... please share this amazing opportunity with them!

ABOUT US - OUR COMPANY

We are a true family-owned Nashville garden center experience. Our knowledgeable and passionate associates strive to create a positive environment where our clients can tap into their creative selves. Combined with top-quality supplies and garden resources, we make outdoor spaces come alive every year, be it a couple of patio plants or the koi pond of your dreams. Our clients love our awesome and friendly staff, our expertise, how we listen and care, and for helping them create magical spaces where they live, work, and play.
